May 20, 2020

The Covid-19 pandemic has caused the DSBM to make the difficult decision to cancel proms. This decision was made to protect the safety of students and staff according to the restrictions on large gatherings as mandated by Niagara Public Health continues to restrict due to the extended school closure and Niagara Public Health restrictions on gatherings.

I know how disappointing this is for the Class of 2020, and myself, and our school community are very sorry to have to share this news with you.

While our traditional celebrations have been cancelled our staff is working together to honour our graduates this June. We will share specific details with you in the coming weeks. Please continue to check your grade 12 Graduate D2L account for updates.

Please reach out to me if you have any questions.

Sincerely,

Mrs. Sargeant
