Future Events:

- On behalf of the Tech Department have a safe and enjoyable summer. See you in September.

Dylan Vittie used his knowledge and skills at the National Skills Competition in Calgary held in May where he placed in the top ten. Thanks to Mr. Demers and Mr. Roy Smith for their extra time and mentoring. Congratulations on a job well done, Dylan.

NATIONAL DAY OF MOURNING

Technical Director Dave Csikos accepts a plaque from John Perquin (United Steel Workers' assistant to the International secretary-treasurer) and Andrea Tirone (Niagara Region coordinator of the young worker's awareness program). This presentation of this plaque marked the tenth anniversary for educating young workers about their right to a safe work place.
