#### **Graduate Forms to be read at graduation:**

A reminder to potential graduates to return their graduation night form to student services to be read on your behalf as you cross the stage.

If you have misplaced the form that was handed out at the grad breakfast, pick one up in student services, complete it and return it ASAP. (June 15, 16, 17)

NIFEE (Neefee) is an international exchange program for basketball students within the Niagara region. As most of you know, Japan was recently hit with a tsunami and nuclear disaster. As a group, NIFEE is planning on taking a goodwill and rebuilding gift to the Japanese to help ease their strife. This gift could range from material goods such as food and blankets to a money gift that they could spend where they need it most. Today and every day until exams, NIFEE participants including Adam Simpson, Jamie MacDonald and Josh Johnson will be collecting any change you may have. There are gift cards that will be raffled off for people that donate specific amounts - talk to one of us for details. (June 16, 17, 20)
