

## **ANNOUNCEMENTS FOR FRIDAY, MARCH 4, 2011 – DAY 2**

### **Clubs and Activities**

Soul Patrol, Crossley's Christian Fellowship group, meets today after school in the lecture hall. All are welcome.

Concert Band is on Monday after school; Marching Band is Tuesday all day; and Choir will run Wed and Thur next week.

### **Sports**

To all those athletes interested in being on the Track & Field Team this year please sign up in the main office. Practices start on Monday, March 21. They go until 4pm. Come to the introductory practices in the first week. First Track & Field meet is on April 27th. Please see Mrs. Mergl if you have any questions. (Every second day beginning Mar. 1 until Mar. Break)

The senior girls' volleyball team is reminded that the game against Confederation has been cancelled. The girls are also reminded that their paperwork for OFSAA is due to Mrs. Gibson today. Please make arrangements to hand this in ASAP.

All girls interested in trying out for this year's soccer team, try-outs will begin after March Break. Please sign up in the girls change room hallway and be ready to go the first day back after the break. Any questions, please see Ms. Amadio. (March 3, 4, 7)

The girls hockey team competed in the SOSSA playoffs on Thursday and performed exceptionally well against hometown rivals Caledonia with a 2 to 0 victory. They moved on to the final against St. Francis high school of St. Catharines with a lot of comraderies on the other team to determine SOSSA Champs. Down by one in the first period, Crossley regained momentum in the second period and was ahead 3-1 by the 2nd intermission. St. Francis attempted a comeback but was cut short by the power house of our offense and shut down by the defense. We ended the game in a 4-2 victory! Good luck at OFSSA at the end of March!

Mr. Harshaw would like to congratulate the girls' hockey team for winning SOSSA. The girls have worked hard all season and moving from coach to spectator I have been amazed at how well these girls have played and developed over the year. Your commitment to the game and each other has allowed for such success and just as I told you on day one, if you put your minds to it and play to your strengths you will win OFSAA. I wish I was still behind the bench and a part of this amazing team but Mrs. Isaac has done an amazing job, and I wouldn't want to take anything away from her. Good luck at OFSAA - I will be cheering for you.
