

## MODERNS DEPARTMENT PROJET DE CORRESPONDANCE

Fonthill à Rezé

Students in FSF2A0 this semester are participating in a pen pal project with students from *le Collège Saint-Paul*, in Rezé, France. The correspondence allows for authentic communication and provides students in both countries the opportunity to perfect their communication skills; it also opens the door to another culture and to a better understanding of others, their environment, and values. Currently, our students are in the process of filming a fashion show to show their partners how Canadians dress for various activities!
