Attention to all Staff and Students. The month of November is going to look a little different around here this year. Many of the male staff are going to go unshaven on the upper lip for the entire month. This is known as the month of **MOvember**. It is done in order to make everyone aware of the evils of prostate cancer. Anyone that can grow facial hair is encouraged to join us in making the most ridiculous looking moustaches you can over the next 30 days.

We will have a lunch time contest for the best, the worst, the ugliest, the manliest etc. on Nov. 30 in the cafeteria. You can buy a ticket to cast your votes.

The rules are simple, no beards, no goatees, no joining to side-burns...just as big and bad as you can make your moustache for the entire month.

It is also a time to make contributions to a Canadian wide fundraiser for prostate cancer. You can look up **MOvember** on-line, search Crossley and make a pledge to our team any time this month.

Ladies, we haven't forgotten about you, we will have moustaches for sale for you later this month so you don't feel left out. Please see Mr. Gaines for any details regarding this endeavour. (Nov. 1, 2, 3)
