April 1, 2020

Good Afternoon E.L. Crossley Secondary School Graduates,

Class of 2020, I wanted to let you know that we are working hard to answer all your graduation questions. Updates are available through our 2DL graduate class and sent through remind app. Please make sure you have signed into this D2L class to receive information about timelines, scholarships, post secondary school requirements and other important grad communications. You should check the D2L graduate class daily. If you are not sure how to access this, send Mrs. Cripps or Mrs. Gibson an email.

Yesterday afternoon, the Ministry of Education provided updates on the continuation of learning during the extended school closure period. They announced that schools would reopen for students on May 4th, depending on Public Health recommendations.

The Community Involvement hours requirement for this year's graduates has been suspended.

Students enrolled in SHSM programs will receive their red seal upon completion of their courses.

For cooperative learning courses, your community placement is suspended. You will work with your coop teacher and modify your Learning Plan to work through the curriculum expectations. Where possible virtual career exploration activities will be explored.

You should be spending approximately 3 hours on assigned work for each of your courses per week. Your learning may include tasks, projects, culminating activities and these will be marked by your teachers for formative and summative evaluation.

Mid-semester report cards will be issued for graduates only. Marks will be provided by April 23rd to meet submission deadlines for post secondary applications. The Ministry is in ongoing discussions with post secondary colleges and universities regarding your post secondary acceptances.

Please check in with your online classes (D2L, Google Classrooms), DSBM email account, school website, DSBM website and social media for updates.

If you have any questions, or require a device or internet access, contact the school at 905 641 2929 ext. 60901. You can also email your teachers. You can find their email address on our school website at elcrossley.dsbm.org. There is a 'Staff Contacts' button on the home page. Please share this messaging with other graduating students, so that we make sure everyone is receiving these messages.

Sincerely,

Janice Sargeant

Janice Sargeant
Principal, E. L. Crossley Secondary School
