Dear students and families of E.L. Crossley Secondary School

Well, they say April showers bring May flowers, so I am expecting a beautiful garden after these last few rainy days. I do hope that you are finding moments to enjoy a walk, stretch, and soon, smell the flowers. I know that learning through a pandemic is challenging. As a staff we have worked hard to adapt our courses to reflect the essential components of curriculum and engage with you online. We are proud of your resilience and perseverance and we are thrilled to hear your voices, read your work, and watch you grow. Thank you for showing up online every day at 10 am and giving us your best! We will get through this together.

I wanted to update you on some information to help you plan for the month of May and beyond. We are unsure as to when or if school may return to in-person learning and will notify you of any updates from the Ministry of Education as we receive them.

The survey results will inform future decisions to better support your learning. If you have not completed the survey yet, please complete it by Friday May 7th using the following link: <https://studentcensus.dsbno.org/>
